Re: Petition of AT&T Communications of Virginia Pursuant to Section 252(e)(5) of the Communications Act for Preemption of the Jurisdiction of the Virginia State Corporation Commission Regarding Interconnection Disputes with Verizon Virginia Inc., and for Expedited Arbitration, CC Docket Number 00-251

Dear Ms. Dortch:

Enclosed for filing on behalf of Verizon and AT&T, please find a copy of an executed amendment incorporating the pricing schedule exhibit to the Verizon-AT&T interconnection agreement (as well as such an executed amendment to the Verizon-TCG interconnection agreement) in compliance with the Bureau's March 11, 2005 Order. The Pricing Schedule attached to the March 11th Order requires several changes, including a few clean-up items, as well as changes needed to make the Pricing Schedule consistent with the text of the Order. Those changes are reflected in the attached version of the amendments, which have been executed by Verizon and AT&T. For ease of reference, we have enclosed a red-line version of the Pricing Schedule released with the March 11th Order showing the changes, which we summarize below:

Agreed-Upon Changes to Verizon-AT&T Pricing Schedule

- 1) On page 1 of the Pricing Schedule, the parties revised footnote 1 to remove references to a pending "Pricing Arbitration" to reflect the conclusion of that proceeding before the Bureau.
- 2) On page 11, the parties corrected the numbering on two footnotes. First, under Section G, the footnote number appearing after "ISDN Line Feature additions, disconnects or changes" should be 4 instead of 6, to correspond to the footnote at the bottom of the page. Second, under Section H, on the same page, the footnote number appearing after

No. of Copies rec'd. 014
List ABOVE

"Individual Line Feature additions, disconnects or changes" should also be 4 instead of 6 for the same reason.

- 3) On page 24, the parties corrected the non-recurring rates for the DS1/DID/PBX Platform, the ISDN PRI Platform, the DS1/DID/DOD/PBX FX Platform and the ISDN PRI FX Platform. In paragraph 10 of the March 11th Order, the Bureau agreed, in part, with Verizon's proposal for these rate elements. In referencing these rate elements, paragraph 11 states that "we agree with Verizon that the DS1 Loop to Customer Premise UNE appears to be a closer analog" to the above referenced four network elements than certain other elements. While page 24 of the Pricing Schedule reflects the DS1 Loop to Customer Premise UNE rates that Verizon proposed in the parties' March 24, 2004 filing, the parties subsequently agreed on adjusted NRC rates to reflect the need for design time; those new NRC rates, including new rates for the DS1 Loop to Customer Premise UNE, were reflected in the parties' May 7, 2004 filing and were included in the Pricing Schedule in the March 11th Order. Accordingly, to reflect this agreed-upon rate adjustment, the parties have corrected the Pricing Schedule by replacing the \$27.19 Install NRC and the \$19.41 Disconnect NRC listed in the Pricing Schedule for these four elements (which were the DS1 Loop to Customer Premise rates in the March 24, 2004 filing) with the \$37.68 Install NRC and \$23.80 Disconnect NRC rates, which are the design-time adjusted DS1 Loop to Customer Premise rates contained in the parties' May 7, 2004 filing, and also reflected on page 12 of the Pricing Schedule released with the March 11th Order.
- 4) The section of the Pricing Schedule entitled AT&T Services, Facilities, and Arrangements, including Service or Element Descriptions and charges, was apparently inadvertently omitted and has been reinserted. These rates were agreed to by the Parties and were submitted to the Bureau in the Parties' May 7, 2004 joint filing.

Please call me if you need any additional information.

Sincerely,

AMENDMENT NO. 2

to the

INTERCONNECTION AGREEMENT

between

**VERIZON VIRGINIA INC.,
f/k/a BELL ATLANTIC – VIRGINIA, INC.**

and

AT&T COMMUNICATIONS OF VIRGINIA, INC.

This Amendment No. 2 (this "Amendment") is made pursuant to a series of FCC Orders in CC Docket Nos. 00-218 and 00-251, the most recent of such Orders being released March 11, 2005, and is effective pursuant to, in accordance with, and on the respective dates established by those orders of the FCC. This Amendment is by and between Verizon Virginia Inc., f/k/a Bell Atlantic – Virginia, Inc., a Virginia corporation with offices at 600 East Main Street, 11th Floor, Richmond, Virginia 23219 ("Verizon"), and AT&T Communications of Virginia, Inc., a Virginia corporation with offices at 3033 Chain Bridge Road, Oakton, Virginia 22185 ("AT&T"). Verizon and AT&T are referred to herein collectively as the "Parties" and individually as a "Party".

WITNESSETH:

WHEREAS, Verizon and AT&T are Parties to an Interconnection Agreement, under Sections 251 and 252 of the Communications Act of 1934, dated as of October 8, 2002, as amended (the "Agreement"); and

WHEREAS, the Parties wish to further amend the Agreement (as set forth herein), as directed by the FCC in CC Docket Nos. 00-218 and 00-251.

NOW, THEREFORE, in consideration of the mutual promises, provisions and covenants herein contained, the sufficiency of which is hereby acknowledged, the Parties agree as follows:

1) Amendments to the Agreement.

(a) Exhibit A of this Amendment shall replace Exhibit A of the Agreement in its entirety.

(b) Notwithstanding anything set forth in the Agreement or this Amendment:

(i) Nothing contained in the Agreement or this Amendment shall be deemed to constitute an agreement by Verizon that any item identified in the Agreement or this Amendment as a network element is (A) a network

element under 47 U.S.C. Section 251(c)(3) or 47 C.F.R. Part 51, or (B) a network element Verizon is required by 47 U.S.C. Section 251(c)(3) or 47 C.F.R. Part 51 to provide to AT&T on an unbundled basis. Nothing contained in the Agreement or this Amendment shall limit Verizon's or AT&T's right to appeal, seek reconsideration of or otherwise seek to have stayed, modified, reversed or invalidated any order, rule, regulation, decision, ordinance or statute issued by the Virginia State Corporation Commission, the FCC, any court or any other governmental authority related to, concerning or that may affect Verizon's obligations or AT&T's rights under the Agreement, this Amendment or Applicable Law.

(ii) For the avoidance of any doubt, from and after November 1, 2004, the rates, terms and conditions of that certain Amendment to the Agreement, dated as of November 1, 2004 ("Amendment No. 1"), shall apply in accordance with their terms. In the event of a conflict between Amendment No. 1 and this Amendment, Amendment No. 1 shall control.

(iii) For the avoidance of any doubt, this Amendment does not affect the Parties' respective rights and obligations (including, without limitation, as to rates and charges) set forth in the Order on Remand released by the FCC on February 4, 2005 in WC Docket No. 04-313 and CC Docket No. 01-338.

2) Conflict between this Amendment and the Agreement. This Amendment shall be deemed to revise the terms and provisions of the Agreement to the extent necessary to give effect to the terms and provisions of this Amendment. Subject to the terms of Section 1)(b)(ii) above, in the event of a conflict between the terms and provisions of this Amendment and the terms and provisions of the Agreement, this Amendment shall govern, *provided, however*, that the fact that a term or provision appears in this Amendment but not in the Agreement, or in the Agreement but not in this Amendment, shall not be interpreted as, or deemed grounds for finding, a conflict for purposes of this Section 2.

3) Counterparts. This Amendment may be executed in one or more counterparts, each of which when so executed and delivered shall be an original and all of which together shall constitute one and the same instrument.

4) Captions. The Parties acknowledge that the captions in this Amendment have been inserted solely for convenience of reference and in no way define or limit the scope or substance of any term or provision of this Amendment.

5) Scope of this Amendment. This Amendment shall amend, modify and revise the Agreement only to the extent set forth expressly in Section 1 of this Amendment, and, except to the extent set forth in Section 1 of this Amendment, the terms and provisions of the Agreement shall remain in full force and effect in accordance with their terms.
